“ Raymond and family, I was so very sorry to learn of Bunny's illness and death. She was the very best. I have countless memories. I'm going to share one. When we decided to move to Little Rock, we had to find jobs and an apartment. We didn't know our way and there weren't any GPS then. There's a fountain in front of Robinson Auditorium, right before you cross the River on the Broadway Bridge. Well, we crossed the River unintentionally seven (7) times that day. I'd say, Bunny, there's that fountain. We're on our way to North Little Rock again. I loved Bunny. My prayers are with yours.
