“ When I or me and my family would be eating at Morrilton Drive in, Which we did often, Mrs Boyer would see us on camera in the back and come out and sit with us while we ate and visit.. always looked forward to it. She would want me to tell about some of the things Larry and I got into in school.. About the things we pulled. And especially about the things in Mrs Aubry Hewen's class.. They were hilarious,, She would laugh till she couldnt... Good times... Sweet Lady.. I'll miss her...

“ Madge was a BEAUTIFUL, KIND, Loving Woman. She was the BEST Boss anyone could ask for! She hired me in 1984, & instantly I felt at Home. She cared deeply for her Employees. I will NEVER forget the enjoyable memories of working at Morrilton Drive In. I've always held it down deep in my Heart & always will. On a funny note, I'll never forget when Hurl Dean couldn't wait til I arrived, he'd hurry out the back door headed to the Horse Races. Lol. Larry used to complain "in a funny way" about me being so big carrying my first Child as we were trying to work side by side at the Grill. Lol. Ricky was so particular about how he wanted things CLEAN every night which was a great thing. The entire Family was always so nice & sweet to me, always made me feel welcomed. Madge taught me so much, so many things, about being through in everything I did. I use her guidance today in my Life doing so many things job related. I also remember the time when I came in so sick from my pregnancy, she pulled up a Pickle Bucket & handed me a couple packs of Saltine Crackers & told me to sit for a bit. I also remember the time, we were so busy, I was on the Grill, another Employee was on the makeup Table, & they wasn't keeping up from goofing off, she heard me get kinda loud, calmly took me to the back & told me to take 5, it'll be ok. She took over at the Grill & when she spoke up, that Employee got busy. Lol. Little memories that'll last a Lifetime. She'd take care of you, with a firm, kind Heart. Years later she still remembered me & that melted my Heart. I used to LOVE watching Her mix the Slaw, making Homemade Chili, Taco meat, slicing the FANTASTIC BBQ meats, & etc. Every Monday was smoking Meat day, & it smelled so good. Then there was Beverly, I loved working with Her, she taught me about running the front but my focus was being the head cook. We were picking up the parking lot one night, She so happened found a \$100 bill on the ground, we were joking around how LUCKY she was. Lol. So MANY great MEMORIES!!!! Madge was AWESOME, & her Family as well. I will keep Y'all in my Prayers!! So sorry for your Loss, there will never be another Madge as I LOVED Her DEARLY. 🙏❤️
