Tribute Wall

“ I have known Betty for many years. She was the hardest working woman I ever knew. She was always doing something for someone. Betty always had a smile where most folks would be unhappy. Betty will certainly be missed by all who knew her. To her family I send my prayers and Love. May God give each of you Peace and Comfort.

“ The last time I spoke with Betty, she was so ready to go and be with the Lord. When she told you she loved you, you knew she meant every word. She was such a sweet and precious soul and will be missed by many. We are better for having known Betty and attending church with her and Donal for years at Morrilton First Assembly. She is resting easy today in the presence of our Savior Jesus Christ. We loved you back Mrs. Betty
