“ *I worked with Margaret at Morrilton Middle School. She went on to work at Walmart. She had a smile for everyone and helped anyone that needed help without being asked to help. May the family feel Gods arms around you at this time.*

“ I first met Margaret and Larry when my husband and I became houseparents to 7 teenage boys. She was so kind and willing to help as we got our "feet wet" with our new venture. We had no idea what we were getting ourselves into. She will be greatly missed by many including us.
