“ Mom and Dad Fullerton, Joni, Jeffrey, Beth and Belinda, I don't think I will ever be able to tell you what Margaret meant to me. She was my soul sister. It was such a coincidence that we found each other when we did! You know the story! I will miss her so very much. We had such long, wonderful talks all the time. She was such a comfort to me when I lost Jr. last year and such wonderful support when I told her about Gary and me getting married. No one will ever be able to replace the depth of the friendship that I had with Margaret. I know that your hearts are heavy but we all know that God will lift that burden and comfort us as only He can. I pray that you will know his comfort as I have known it. I love you all and will keep you in my prayers.

“ Dear Fullerton family,
I have known Margaret since Junior High. We were in the same class. She always gave better than she got. Ex. When I filled her flute full of paper before a band concert she did something to my saxophone afterward and it never was in tune again, ever! When I asked her what she did to it...I got the smile! (You know the one...) She always had a good word for those in need and was a faithful friend. The world is a better place because of her light and she will be missed.
Sincerely,
Donnie Grove and family

“ Dear Arkansas Friends, Words are so inadequate at a time like this but you all have our deepest sympathy and love. This is something that we will never understand but when Kate passed away many people told me, "God has a reason for everything". Someday maybe we will understand that reason. Remember, our thoughts and prayers are with you. Love, Bud, Carolyn, Mitch, Chris and Families
