“ Margie was so kind to my husband, Bro Ed, and me when we were at Alexander. I shall always remember her and her family. They let my husband use a cabin on Harris lake for a prayer retreat when he needed to get away for a solitude time with The Lord.

“ Ted joins me in expressing our sincere sorrow for your loss in the death of your beloved Margie. I worked with her all the years she was at the Arkansas Department of Health. After that she would call me each year on my birthday for a long chat...the last time was two months ago. It has been said that those who have lived in our hearts are never really gone. I have many good memories and will always love and miss my friend Margie.
