“ I am so sorry for your loss. I am so glad I got to visit with Marie when I came to the nursing home. I just wish I had come and visited again . I have many fond memories of Marie from when we were growing up in the bottoms. She was a special person to me. Marie and Mom spent many happy hours together baking , canning, and all the other things they did together. I can just see all four of them around God's throng, praising him and waiting for the rest of their families. May God give you peace and comfort in the lonely days ahead. Love and Prayers. “ To Marie's Family - I loved your Mom and visited her whenever I could while at Muriel's house. Once I spend a Sunday afternoon sleeping in one of her chairs while she and Muriel slept away in another - with the TV going!!! She was an inspiration to everyone she came across. Her sweet smile said it all - that she was like that inside and out, as well as her beauty even in old age. She was truly the Proverbs 31 lady. God bless all of you. Muriel Tyler's sister

“ *Condolenses - To: Billie Carl, Ella Dean, Mary Joyce, and family members: "I am so sorry I can't be there in person to express my sincere sympathy, but my thoughts, prayers and memories are all there with each of you.*

I loved Aunt Marie very much; she was such a delight to be around, and her smile would just melt you, while her eyes twinkled, and that hug let you know you were loved by someone special. I will always hold her dear to my heart.

May God Bless and be with each of you during this most trying time. You'll have already been blessed to have had her to enjoy for so long, but just remember, she will be watching over you from above and waiting to greet you in our Heavenly Home another day.

Love To All, Linda Taylor Dickerson"
