“ *My thoughts and prayers are with the family, for such a precious Lady!!! She made such an impact in my life! We were still friends while she was in Morrilton and I often thought of her, even after she moved. Mrs. Hutchison was the definition of a teacher and a person to live by her actions!!! So wished that I had taken that time when I thought of her to send her a card, but will never forget such a sweet, sweet Friend!!!! Love you, Mrs. Hutchison!!!!*

So sorry to learn of the passing of your Mother and Grandmother but know you rejoice for the many years you shared with her and knowing that she is enjoying the wonder of heaven. After having lost Daddy so recently, it certainly makes heaven more real knowing our loved ones are there awaiting our arrival! Praying that happy memories comfort you all in the days ahead.

*Donna & Family: I just heard this week of Mrs. Hutchison's passing. I am greatly grieved. I was in the hospital @ Little Rock following a 22 foot fall when your Mom apparently passed.*

*She was a most wonderful lady, teacher, & mentor, & also elegant; as was Mrs. Isley, Mrs. McCuen, Mrs. Keller, & Mrs. Stallings.*

*I have been trying to locate her since I first got on the internet 4 years ago. I hate to hear of her passing. I was so looking forward to visiting with her again. The only one of my Reynolds teachers I did get to visit with was Mrs. Isley a year or 2 before she passed.*

*She, & my other teachers @ Reynolds were a great deal of inspiration & encouragement to me to complete my BS & post-BS Associate Degrees. I shall greatly miss each one, as will elementary education. Elementary Education has suffered a great loss with her passing.*

*Please get in contact with me 501-679-4500 or the first chance you get.*
