“ Janie was a loyal and dedicated team member of our company and provided support and leadership to everyone in our office. She made beautiful cakes to celebrate birthdays of our associates. She always found time to offer help to others in need and lived her faith everyday. Janie organized a women’s bible study group in downtown Little Rock and shared her love of others through that effort. Her testimony moved many inside and outside of our office to make Christ the center of their life. We loved Janie and everyone in our office knew she loved and supported them. I am grateful Janie was part of our life both personally and professionally. Our prayers are with David and all of Janie’s family.

“ *Janie will be missed by all who knew her. She was a very kind and loving lady. Always had a beautiful smile and encouraging words for each person she met and talked with. She was so good with children as well, one of the very few non-family members that provided childcare for my son when he was pre-school age. Such a wonderful Christian that loved everyone!*

Continuing to pray for Janie's family during this time. May the Lord comfort each of you in a way that brings peace and encouragement to you today and in the days ahead.

Love your family very much.
