“ So sorry for your loss she was one of the best ladies I've known so much wisdom, caring, compassion she was the perfect example of what a nurse should be in some of the worst times she was always there to comfort me with her reassurance. She has taken care of 2 loves of my life my mom and my dad although their passing was devastating she was there to comfort me whether it be a phone call or coming in the middle of the night. As I'm sure tons of others feel the same RIP Evy God gained an Angel love you always
