“ *Please accept my deepest sympathies over Marshall's passing. We served together on Advisory Team 62 in Vietnam teaching English to the Vietnamese. The unit just had a reunion this past weekend and Marshall's name was brought up by Richard Sharrock, a buddy of his. We all played softball together in our off-duty time and Marshall was one of the best players on the team. It was very sad to hear the news and my sympathies go out to all of you.*

“ *I just heard about Marshall's passing and I'm so sorry I missed the service. I can't tell you how much I enjoyed working with Marshall on Petit Jean and I'll always remember how his face lit up when talking about Sue and Lindsey. Boy, he could sure tell a story! You're all in my thoughts and prayers.*

“ I worked With Marshall for a summer when he was Park Ranger at Petit Jean State Park in 1973 or 74. He was a real good friend and a good Park Ranger mostly because I never knew he too be dishonest and he was fair. I know this because he was my boss when I was a lifeguard at the pool.

“ I just found out about Marshalls passing and am so sorry. Marshall was so nice to my scout troop and they all were crazy about him. He put up with alot from those girls and I know he wanted to kill me. They were just crazy high school girls girls who loved to go camping and hike down the back side of Rich Mountain. He was a gentleman and had a great deal of patience.
