“ Gary, Pam and Rickey, I am so sorry for the loss of your mother and father. To lose them both so close together is just heartbreaking. I have good memories of your parents. Gene taught me how to water ski on the lake on Petit Jean Mountain when I was in about 9th grade. I was there on an outing with your then neighbors, the Cupps. He wouldn't give up on me and I have never forgotten him for that. Martha was such a beauty and I see from her picture in the paper she remained that way. They are together again and I hope you find comfort in knowing that. God bless you, Barbara Wilson Evans

“ I was so sorry to hear about aunt Martha. My prayers for you all (Pam, ricky, Gary & family) I hope you can find some comfort from each other and the beautiful wonderful memories shared.

Aunt Martha was my favorite aunt... she was so full of life and funny. I know she will be missed.

I remember my visits, and smile about how she and Gene interacted... they made me laugh, yet always their love and devotion for one another was obvious. Their lives and marriage were truly blessed.

My love to you all.
