“ Oh my what a wonderful lady, always a smile on her face. I so remember when she and John ran the Western auto store downtown. Me and my friends as kids would ride our bikes to town and would always stop and admire the new bikes and accessories. It was a bit funny because Mr. Causey would follow us around the whole time we were there to make sure nothing when missing. Mrs. Causey would always tell him to leave those kids alone they aren't bothering anything. I also attended church with her for many years at Calvary as long as her health would allow she rarely missed a service. I have so many wonderful memories of her. They had a brand new really fancy car that set out front it was a beautiful orange color, very plush and loaded with all the bells and whistles. Think it might have been a Buick maybe. But many years later I ended up with that car. She'll be missed by many but oh can you imagine the reunion she's enjoying right now. Prayers for the family.
