“ I will remember Martha as a second mom, good cook. I loved to eat her sweets. She is who gave me the love for gardening and plants. I used to watch her gardening on many of my sleepovers as a child. She will be greatly missed.

“ Aunt Martha was such a wonderful person. If you were around her very much you knew that her laugh was very contagious and before long you were laughing with her. She was a very special great aunt. I've got wonderful memories of our family reunion's at her house. She always had me some of her famous chicken and dumplings fixed for me. I always remember her waiting until I had eaten a whole bowl and then her asking how did you like the squirrel in the dumplings. Then she would just laugh. I will miss her very much, not goodbye just see ya on the other side.

“ I was so sad to hear that Marth-Ann had passed away. Over the past few weeks I had thought of her often and prayed for her daily. She was truly a genuine person. I know she was loved and will be missed by many. My heart goes out to the family and I hope you find comfort during this difficult time.

“ We will always remember the awesome breakfast Martha fixed us before we went hunting. We didn't get to go often, but when we did, we were always full when we left!

“ As volunteers at Conway Hematology-Oncology Clinic, we saw Mrs. Pearson frequently as she came to receive treatment. She was always sweet, smiling and cheerful, never complaining. She was an inspiration to all around her. While her passing saddens us, we are grateful that her suffering has ceased and she has achieved eternal repose.

“ I will remember Martha Ann as a great and kind lady. She had a unique way of always making you feel welcome and loved. I remember going to see her with my Uncle Benny all the time. He use to worry about her fishing around ponds bare footed but she would just laugh at him and say "You know I cant hardly stand to wear shoes on my feet" She always thought of other people even when she was sick. We are all blessed for having known her...
