“ *Beth and Belinda and family,*
My prayers are with you and your family. There are some words in a song that comes to mind. It says that there will be a hello after saying good bye and then we will be together far longer than we were apart. Even though we miss our loves ones they are not lost and we have that hope of seeing them again.

“ Bro. Fullerton, Belinda and Beth. I was so sorry when I got the news of Liz. She was such a wonderful person. I really enjoyed getting reacquainted with her at Riverview. I looked forward each Sunday to seeing her and some of you when we brought the Lord's Supper to her. I know you are going to miss her so much, but she is enjoying now what we as Christians are supposed to be looking forward to. God bless you and if we can do anything to be of help, please let us know.

I appreciate so much the honor of being a part of her service.

In Christian love,

Charles
