“ *Mrs. Grafton was my 5th grade teacher in Ahwaz, Iran. She made a big impression on me- I never forgot her or her name- the only teacher at the school I can say that about. She was kind and patient and a great teacher all around...I still remember the last time I saw her- she was at the airport in Ahwaz, waiting in line smoking a cigarette- waiting to be evacuated with the rest of the expats in December 1978. I am now a teacher myself, thanks in no small measure to Mary Lou G....Love you Mrs. G....*

“ *We are so sorry to hear about your loss. We announced it this morning at our monthly DAR meeting. We were so glad to have Mary Lou in the General William Lewis Chapter of the Daughters of the American Revolution for all those years. I am sure my Great Aunt Lela Ormond would have many special memories to share if she were still with us. May the peace that only God can give surround you and give you courage and strength during this difficult time.*
