“ *She was such a sharp learner. I helped her in reading while riding the bus to school at Wonderview. I was a Junior High student. She enjoyed learning reading. She has been my friend always. I will miss her.*

“ *Mrs Mary Ann was so special to my granddaughter and I. My Mother passed away 50 yrs ago. My granddaughter of course never knew her. But she was immediately drawn to Mary Ann. She said Nanny she looks like your Momma. And she was right. Mary Ann carries a remarkable resemblance to my mother. Same hair color, the glasses, they were the same size, same height. My mother's name was Mary, and surprisingly their birthdays are both in November. My mother passed away from kidney failure. My granddaughter loved Mary Ann and was so draw to her kindness and loving spirit. She is so heartbroken to hear of her passing. My thoughts and prayers are with you all. Mrs Mary Ann will always have a place in our hearts.*
