“ *My dear friend, I have been missing since last April 2018 and actually perhaps 6 months before that, when I got the last email from you in January 2018.*

*Became friends with Mary over genealogy as we are distant Rainbolt cousins. We remained friends for 20+ years. I knew you were having a lot of health issues since I had not heard from you or even Leland, and have worried greatly about you. You will forever be my very very good friend, if not family as you really are. We had discussed many many things over the years and I will miss all of our chats. Rest well my friend. You and Jamie look for my little Josh and all go fishing together. Love you, Trudy Hull*

“ *Mary Ruth was a very special lady to me, when I was a little girl she would take me to their barn to milk the cows and feed the goat, later she was my hair stylist and was always a friend to my mom and dad. My prayers are with the family, I know she will be missed.*
