“ *When I was in grade school I remember Mom and Dad would take us to Morrilton to see the Christmas parade but while they did the Christmas shopping Madeline would keep us at her house. She was a very special lady and will be missed.*

“ *This sweet lady will surely be missed. She was my mother's best friend and confidant for many years. She always had a smile and was more than ready to help one in need. I saw strength and courage in this sweet lady after my mother passed. Deepest condolences, Joanne. I know she's smiling down on you. Prayers.*
