“ Aunt Melvina was a special lady and I will always remeber her. . She was always jolly and friendly. Always made each of us feel special. Our family spent Christmas with your family the first year you moved into your new house. It was a house full of Joneses! .She kept us all entertained as she told her stories of long, long, ago! Back when she and Uncle Snookie first met, when they got married and became apart of the Jones Family. I believe they moved in with Granny when they first married. Hold on to your wonderful memories. Share them with each other and the younger generations. She and Snookie made their house a HOME. And they made that marriage work. Love to all of you. Wish I could have been there to share this time with you! God Bless. Ruby

“ Hello to all!  
Aunt Melvina was a special lady! Always smiling, happy, and ready to share memories with us of long ago! And she could keep us entertained with her stories!

She and Snookie married so very,very young! And they made that marriage work! What a great example to all of us not to give up on a marriage!

I remember our family spending Christmas with your family the first year you moved into your new home. Your parents had worked hard to build the house and they were able to move in to celebrate Christmas. I remember Melvina and mom cooking many good dishes and then all of the cousins playing and enjoying one another...

Hold onto your memories! She was a special lady!
