“ *Our family get togethers will never be the same without our precious Ilene to keep us entertained. She was a total joy to be around.*

“ *Mrs. Windle was a prime example of a "Lady". She always opened her home to PD's friends and always made them feel special. I remember her always smiling, and talking about current politics of the day. I can still hear her..."How about cha Watermelon?.....super is ready". My heart goes out to PD, Linda,Robert,and their families.*

“ I remember Mrs. Windle as a gracious and compassionate woman, who demonstrated by her actions, that she valued and appreciated her friends as well as passing acquaintances. This testimony is based on my mother's (Amelia) appraisal of her when I was a child and by my own acquaintance of her later in my life. I trust that Robert, Linda, and Perry are strengthened by the memory of her positive and lasting influence on their personal lives and on the many others that she assisted and encouraged along her way. Though troubled by her passing, I am faithfully confident in God's will and trust that He welcomes Mrs. Windle into Heaven as one in whom He has been well pleased. My prayer for Robert, Linda, Perry, and their families is that they find lasting comfort in the example of caring that she exhibited and that they fondly remember with assurance her pride and love for them. May this memory of her remain with them always.

“ Miss Windlw was such a sweet lady! It just made me sad when I saw she had passed. I worked for the city of Perryville years ago, for 8 years and spoke with her often. She was just a really pleasant person. My thoughts and prayers are with you all during this time.
