“ *Melanie was such a kind, caring, and compassionate person. She had a hug and smile for everyone she met. One of her favorite expressions was God Love her. She was funny, smart, and loads of fun to be around. Her family was her world and I know she will be missed by so many people. God bless her and her family during this heartbreaking time.*

“ Dear Family: It is with profound sadness that I send my most sincere sympathy and condolences in the passing of your loved one! But we have a great hope: "Jesus said unto her, I am the resurrection, and the life: he that believeth in Me, though he were dead, yet shall he live," John 11:25. Your most precious loved one is alive today, in the presence of Jesus and she will always live in your heart! I'm reminded of the saying "Earth holds no sorrow that heaven can't heal!" But how to face tomorrow here on earth, how to go on? - one day at a time, trusting the Lord! He never leaves us or forsakes us! May He comfort you with His peace that passes all understanding and carry you through the difficult days ahead! My heart grieves with you!
