“ *It was with profound sadness that I learned of the passing of Melva Gene. Over the years, I have come to know her as a wonderful, kind and hard working woman who loved her husband, children, family and friends with all of her heart. My prayers go out to all the family during this difficult time. In times such as these it is a comfort to know that the Lord is always near. May He continue to give you peace in the days ahead. Until we meet again, Melva, Go rest high on that mountain.*

“ We grew up with Melva Gene, she was always gracious and kind, whether it was with her own family, her church family or work. Loved her yard in the spring, it was a beautiful bouquet in bloom. Pray God comforts her family and friends at this time of mourning.
