“ I went to England High School with Michael. He was always a positive person to be around. The world has lost a good man, but we have all gained by knowing him.

“ I loved Mikey with all of my heart & it's so hard for me to believe that I won't be able to share any more of this life with him. We celebrated our 10th wedding anniversary on Valentine's Day this year & he wrote in my card "I'm signing up for another 50 years". He was my best buddy & I could share anything with him without feeling judged. I know with out a shadow of doubt that he's in Heaven. While here on earth he suffered greatly from Fibro Mialgia & was in a great deal of pain on a daily basis. I'm very grateful that God took him so gently (no struggle or gasping for breath, God simply stopped his heart very quietly) & that there will be no more suffering, no more pain. The morning of March 10th, around 4:00 AM I heard a fluttering of wings & now believe that God's angels took him to Heaven at that time. Mikey, my heart breaks for you, I wanted so desperately for you to come back to me, it wasn't meant to be. Please ask God to grant me extra courage, wisdom, & strength as I know that I must go on, for my work here is not finished. Mikey, God was tired of seeing you suffer, I miss you Baby, but I'm so glad you're in Heaven now. And what a home coming, Your MaMa, Daddy, Brenda & Danny were waiting for you with open arms. You will be in my heart forever!
