“ *My condolences to the entire family. Filling the emptiness inside from losing a father, son, brother, friend or lover is one of life's hardest lessons. There's so many things that I remember about him, but what I remember best was how exciting life was in his presence. It was never dull around Mike Deweese! Mike was "one of a kind" and his passing makes the world less for us all. Rest in Peace Michael. I hope that everyone can find peace with his passing. Love, James*
