I am so sorry for your loss. I know no words will make it better. No wisdom will ease your pain. Nothing will help right now. But I do love you and so does all the other employees at Perry County Nursing Center. We will be here for you. I know you and Mike shared a special love. Keep that tight inside your heart and Mike will always be with you. I love you,

“ Nancy,

We were shocked to hear about Mike. He was our best man at our wedding, so you can see he ment a lot to both of us. He will be dearly missed. If there is anything at all we can do , just let us know. Anything at all. We will be praying for the whole family. Dennis said he always felt that he was a part of that family. He was up there playing so much when was younger.
We will be attending the funeral but please do let us know if we can help in any way.

Lots of love, and prayers.
Dennis and Tracy
