“ I've known Mike for many years and am stunned at his passing. We worked together at UAMS many years ago and were members of the same dog club.  
He was a good friend and, both he and Miss Ruby will be missed.  
We shared many good times together.

“ Mike was a friend to many.  
10 years ago began a friendship between a Mike & my weimaraner, Coach, that, even Coach never forgot..even if it'd been a year since he'd seen Mike! What joy for one dog & his friend !  
Mike is with his family who he loved so much. May that bring comfort.

“ I have so many precious memories of Michael. When I was little Michael would play his guitar and sing to me, or tell me bedtime stories. I remember the first time I ever saw a friendly Doberman Pincher. She was Michael's dog. She was red with floppy ears. Michael called her Baby Girl. Even as a teenager Michael was a nurturer.

Last year I was fortunate to have visited with him and my Granny Ruby. I'd seen dementia patients before visiting my grandmother. During that visit I was awed at how well he took of her. She got to live out her days in her own home, and physically she was miles ahead of the other late-stage dementia patients I'd seen. I left that day feeling at peace because I knew she was getting better care, physically and emotionally, than anywhere else.

I want to thank all of Michael's friends for the support they gave him. I was lucky to meet some of you at the funeral. Hearing your love for him lightens my heart.

With Love,

Crystal

He has a sweet spirit and was so kind hearted. I am glad to have known him as a friend. I ask that the family let me know what happened to his pets. Please call me at 501-776-2509.
