“ *I will never forget the hugs and laughs I had with Mike during the time that he and Heath were together. Mike was a part of our family. Mike has been in my prayers for a long time because I knew that he struggled with many things. My prayer is that he has peace and that God will grant Heath and Mike's family with comfort and love during this very sad time.*

“ *Mike and I were friends. We could talk to each other about most anything, confide in each other; I will miss that. My heart hurts. My thoughts and prayers are with Heath, Mike's family, and all of his friends and loved ones. Rest in peace my friend, I love you, always will.*
