“ *Diane and family, I was so surprised and deeply saddened to read of Michael's death. I fondly remember him in my classroom way back in 2nd grade at Northside. He was so kind and sweet. I also remember how he excelled in math. Words cannot describe how sorry I am for the pain you are having to go through. May God wrap his loving arms around you and Michael's family and give you peace. May perpetual light shine upon Michael and may he rest in peace.*
