“ *Melissa, your momma was the hardest working woman I knew, and always a smile even when she did not feel like smiling! Now she is enjoying the rest of her eternal life pain free. You will miss her and I know your heart is aching, time does heal all things, and memories will keep her present in your life.*

“ Al and I met Mickey through her liquid feed business. She helped take care of our cows for several years. You could always depend on Mickey to be there when she said she would and do whatever necessary to get the feed delivered She will be missed by friends and family. She was a great lady.

We both came to be very fond of her and know she will be missed by family and friends alike. She was truly a great lady.
