“ I was Mikel's 2nd grade teacher at Reynolds Elementary and have many memories of him. I also taught Mikel in the summer enrichment program. One fond memory of Mikel was during a field trip to Petit Jean; the Park Interpreter asked several of the students what they wanted to be when they grew up....Mikel's response was the Governor of Arkansas. I thought of that when he ran for elected office this past election. May he rest in peace. Prayers for his family!!
