“ I was blessed to get to work at the bank with Miss Janice during one summer when I was in college. She was such a joyful person. Always so very kind to me. My Mom also worked with her at the bank when she was a young lady, and she has always also been very fond of Miss Janice. Also, my Aunt Mary and my Cousin Ruth worked together with her for many many many years before they all retired. I am so thankful that I knew this wonderful lady!
