“ My heart is sad that I have lost my Aunt, friend and confidante. I will miss the conversations over everyday 'stuff' and her words of wisdom when I needed them. Our girls day out to spend the day shopping and having lunch in Conway.

Myrna seemed to always be there for me as a little girl in Illinois, to later when I needed a place to live she and Uncle Carl opened their home to me, countless hours at her kitchen table painting ceramics, trading cross stitch and crochet books, setting up her shop in Morrilton many years ago, to just last week when we spoke for hours over lifes problems.

Myrna always had time for who ever needed it, be they family or friend. A person who can't be replaced, she will be truly missed by many.

“ We are so sorry to hear about Myrna. She was a good friend of mine. I worked with her at Wal-Mart and she took good care of my brother in law, Billy Frank.

“ Michelle and family. I am so sorry for the loss of your family member. It was obvious she was a very special person and you and your sisters loved her so much. My thoughts and prayers are with you during this time.

“ *My husband and I got to know Myrna and Carl through some mutual friends. We also visited at many craft shows that each of us attended or set up at. We always enjoyed visiting with them.*
