“ *It seems that I watched Nancy grow from a cute little 6th grader with a mischievous twinkle in her eyes into a beautiful young woman with sparkling eyes and a beautiful smile that remained throughout her life. I am saddened by the loss of such a sweet and gentle spirit who had such a kind heart. My sincere condolences to her family and dear friends who will certainly miss her. I will always have fond memories of "sweet little" Nancy.*

“ *I am crying as I write this. I can't believe Nancy has been gone a week. I miss her more than words can say. I want to pick up the phone and hear her voice. I am glad we had a long talk right before she passed away. I have so many wonderful memories back when I lived in Arkansas and also when Nancy visited me in Las Vegas. I don't know what I am going to do without her!!!*

“ Trich and family, I did not know Nancy, but I do know how you are feeling. My heart goes out to you. Everyone says time helps heal these wounds, and I guess "time will tell". You have been, and will continue to be, in my thoughts and prayers.

“ I had not seen Nancy is so long, too long, and this was such a shock to me tonight. I will never forget all the childhood memories we had together. We were inseparable when we were small. She always kept me laughing. I will forever miss her on this earth, but I know that she is in a better place with our Lord. I will see my longtime childhood forever friend someday in heaven, and it will be a happy reunion. God Bless all of you who have been close to her these last years. May God give you peace and strength in the coming days. Dolly, Gary, Robyn, and Terry, we are certainly praying for you. With all my love, Debbye

“ Nancy was always so pretty, so witty and so very sweet. I met her when becoming single again after several rough years of marriage. She encouraged me and became such a good example of not letting the world get one down. Although it has been many years since seeing her, she has always remained in my thoughts with extreme fondness. My deepest sympathy at her loss. She was indeed one of a kind.

“ To Nancy's family: When God calls you home you go! I remember her as a young lady and very funny. It has been years since I have had contact with her, but I am sure if she had the chance to come back she wouldn't. Heaven and the Lord have her now. God bless all of you and try to remember the good times! In Christ, Penney Poindexter

“ *What a shock! Nancy was a modern day Janice Joplin and we all loved her for years of great fun and personality. She fit in any crowd and I really never heard her say anything but good about anyone. She tried to help folks less fortunate and I have to worry about her dearest life long friend Freddie. Love you always free spirit.....Your old pal Bob*

“ *Nancy will be missed dearly. She was my 1st cousin. I will carry fond memories of her sarcastic humor with me forever. She was a free spirit that danced to the beat of her own drum and I will remember her with a smile always on her face and bringing joy to those around her. She was a "mommas girl" and family meant everything to her. God rest her sweet soul.  
Love, Richard Arlen*
