“ *Nancy was the loving older sister to Linda McKay, Evelyn Younts, James Wilson and Carolyn Graham. She was a Mother Hen and always tried to watch out for and take care of everyone. She will be missed more than words can describe. Everyone who knew her talks about her hugs. They were the best. Love you Sis and will always miss you, but we know you are no longer in pain. Prayers for all.*

MR

*What a sad day when I learned of Nancy's passing. I first met Nancy in 1997 when my mother was admitted to the PCNC. She was one of the nurses that took care of Mother. I always told her she was my sweet angel on this earth for the kind, gentle way that she cared for my Mother. You would have thought she was Nancy's own mother!!! Then, in 2019 our paths were to cross again when Nancy volunteered to work at Partners for Progress in Perryville. The years had changed us some, but not our spirits. She worked so hard to help those in our County that needed food. She was a great cook and would often bring me a sausage or bacon biscuit for a treat for breakfast. I will miss her sweet smile and gentle hugs. My prayers go out to her children and family. She will be dearly missed. I love you Nancy!! Go rest high on that mountain!!*
