“ *Our thoughts and prayers are with you. I always loved spending time with Nell and Uncle Billy, He was always a real friend to me and probably kept me out of more trouble than he got me into. One of my best memories was the time we camped at Petit Jean and we went into town and all went to see THE PASSION together. We did appreciate that movie!!! Nell was a friend from the day we met---a few blocks down the street and she and Mama had a lot of coffee at that table. We are thinking of you all during this hard time. I can just see them all sitting together again and feeling no pain. They aren't worried about any of us because they know we will all be together one day---love to the family*
