“ *I was very sorry to hear of Neta Faye's passing. We started the first grade together and she was my classmate until we graduated. I always appreciated her dry sense of humor. My condolence's to the family.*

“ *Robert and family,*

I am sorry that I cannot be at the funeral tomorrow. I had planned to be at the visitation but am unable to take off work this afternoon either.

I would have liked to meet your wife. I'm sorry about your mother. Take care.
