“ I've enjoyed being Nick's counselor since he entered Conway High West Campus in the 11th grade. I found him to always be kind, quiet, and honest. During the 2nd semester of his junior year, Jason came up and met with Nick and myself about not missing any more days so he would not lose credits. Because of Jason's support, Nick made it through the rest of the year and was on target to graduate. He was a gifted student who was scoring on the high school level during elementary school. He was not the typical gifted student though because he was so soft-spoken and not eager to show what he knew. He will be greatly missed. We will continue to hold up all of Nick's family in prayer.
