“ *My prayer is for God to hold your hand during your time of loss and the Holy Spirit comfort you and give you peace. Noel was my teacher in high school and my bus driver for many years. I have a lasting memory of him taking all his bus riders to Finkbiner's after school one day and buying us ice cream. The way he touched others lives is what you should hold dear.

“ Having known Mr. Adams as both a teacher and colleague for many years, we find ourselves at a loss to think of anyone who more exemplified the life of a Christian steward and American citizen. He was an outstanding role model for the students at Perryville High School, and he was equally respected by his fellow educators. We really admired his personality which easily and sincerely reflected the strong appreciation he felt for those with whom he taught, advised and encouraged. We will never forget Mr. Adams because he made a memorable and positive difference in our lives. Though his family, whom he loved so much, and the community, that he served so well, will miss him dearly, all of us were blessed for the influence of his life in ours, and now, we accept and understand that God has called for one of "His good and faithful servants in whom He was well pleased."

“ I have had many supportive and encouraging teachers, but Mr. Adams was a pinnacle in those respects. I specifically remember how he taught me hunters' education, and how he didn't give up on any one of us until we all passed. He was a great man on earth, and I am excited for him to start a new chapter in the Lord's kingdom.

“ Noel was a good Christian man who was a great example to his family, friends, students, and community. I think of him every time we have a deluge of rain, and I am nice and dry inside my house because he did such a wonderful job on my roof. I don't think I ever saw him without that broad smile on his face. He was a wonderful example to all of us. You are in my thoughts and prayers. God bless you.

“ I'm truly heartbroken at the loss of such a special, wonderful man. I have so many wonderful memories of Noel coming to Alabama and camping at Joe Wheeler Dam for weeks at a time. No one ever made my Daddy smile like his cousin and bestfriend, Noel. Thank you Noel for all that you have been and the legacy you leave!
