“ I loved Ms. Noma. She was a friend to me. I met her thru my sister, Brenda Mills, and she and I became sweet friends. She liked to color in coloring books and I would buy Christian adult coloring books and colored pencils and she had the best old time! I will cherish my days of visiting with her and she even gave me a whole coloring book she completed! I love it as I loved her! I will always have it and remember our times together! I will miss her but I found it hardest to visit toward the end when she didn't know who I was. I hope she will forgive me now. My condolences to her family and know she is happy and is pain free now! Thank you Jesus!

Love,
Dana Benetz

“ I have not seen Noma Fay for many years, but I thought about her often. When I would visit at Baptist hospital, when I drove past the road she used to live on, and every time I was in the courthouse, I was reminded of her. She was such a sweet lady. I will always remember her laugh and those awesome chocolate fried pies she made.

It's been years since I saw Nina Faye. But oh how I loved her at Bethel. She always smiled at me and I loved to hear her sing. So sorry for the families loss.

“ *You cannot see faith, but you can see the footprints of the faithful. We must leave behind "faithful footprints" for others to follow. (Dr. Dennis Anderson)*

Linda and Kathy, I am confident that Faye has left behind many "faithful footprints" for others to follow. I still have the prints she left on my heart when I was a young girl.

Celebrating her home going with you! But ever mindful of the sadness her absence leaves behind. Praying for you in these days.
