“ *What a beautiful woman Oma always was and I loved her as if she was my Aunt, for some reason we always had a special connection. It was a special privilege me, for just knowing her. We will miss her and always have a big place in our hearts for her. My love and prayers for all the family.*

“ *I have many fond memories of "Auntie" and playing in her beauty shop with Deb. She always treated me the same as she did her own nieces and we all loved her. She is loved and will be missed by all who knew her. Love and prayers go out to all the family.*

“ I have known Oma all my life, she lived across the railroad from us. The first job I ever had was doing Oma's washing and ironing for her and she worked at Oberman. She later had a beauty shop and she always cut my hair. She was a special person and was a big part of my life when I was growing up. Our prayers are with all the family. God bless you all.....Zoann Hudspeth
