“ *Our thoughts and prayers are with the family. Bobby and I will treasure the time spent and memories made with your dad. He was a wonderful, one of a kind man. Mr. Pasco would always tell me at the end of our conversations to have a "golden day"! It's very comforting to know that he is having "golden days" forever with our Father in Heaven. Again, may God give your family strength, comfort, and peace.*

“ *We are so sorry! Stevie loved it when his Uncle Pasco would call him out of the blue. He loved and had so much respect for him. We both did. You all are in our thoughts and prayers!*

“ *He was truly a one of a kind uncle. He loved my brother and me a ton! Along with our parents Ernie and Marie Zarlingo. I find comfort in knowing he was the last of all of the many Aunts and Uncles on Zarlingo side. Will miss his guitar picking and singing to us. He loved life, showed me how to pick a dog or horse just great valuable lessons you need to know as you walk thru life. Love you Uncle Pasco already miss you!Mrilyn*

“ He will certainly be missed. Always chewing gum and smiling, seemingly enjoying climbing in a Big R truck to make another run. He was one of those that made our job fun - always a bright spot in our night. God Bless Him.
