“ *I've known Pat or (Mrs. It) as I called her, for about 25 years. She was like a 2nd mother to me and her children, Crystal and Tanya (Lil Sis), were always like sisters to me. I will miss her terribly but I know she's gone on to a better place where there is no more suffering for her. I love you Pat, thanks for all the years of friendship we had.*

“ *What I remember most about my Aunt Pat is when I was very young and my brothers and I were staying with her for a little while and she taught me how to wash dishes.*

*I always think of her when I wash dishes.*

*My heart goes out to all of Pat's family and to my cousin Tanya, I know she will miss her Mom very much. It has been a tough week in Arkansas, saying goodbye to ones we love, I wish I could have been there with all of you in person, instead of just in thought.*
