“ *Grandma Pat, You will forever be in our hearts. You played a big role in my childhood and I will never forget the wonderful memories we made in Concord and Clearlake. Dancing around the house to Elvis, running through the house with Pinesol so Grandpa thought we cleaned all day. Driving the semi truck really fast down the dirt road and praying we did not go off the wooden bridge, riding horses and fishing/camping. I can go on and on with so many memories but we hold those in a special place. I will always love you. Love you so much, Elizabeth, Doug, Nathan and Rachel*
