“ My son, Anthony Cambiano, attended Sacred Heart from K-5 before we moved to Center Ridge. I was at the school quite a bit and loved to see Pat each time. A warm, familiar smile everyday. Anthony thought the world of Mrs. Pat and she was quite fond of him. I don't remember a time in my life when I didn't know the Beck family...truly. We have been connected as a lil more than family a lot. Anthony's first and Only big sister is Mistie. We will all mourn this loss in your life and ours, an angel she was on Earth as she is in Heaven. My love to all.

“ What can I say about memories of Pat? She was one of a kind...KIND also being a descriptive word for Pat. We had lot of fun together during our years at Arkansas Kraft and shed a few tears over the years. She has always been one of my favorite people and I will miss her a lot. She was a true friend and I loved her. To Woody and the kids: You know she loved you all and will always be with you. Sharon
