“ *It's been a very long time since you left us. It's been even longer since I last got to talk to you but I will never forget that phone call. Had I known it would be our last I would have talked to you for hours. I wish I could have helped you. Not a day goes by I don't think of you Paulie. Some of my most fondest memories include you. I'll never have another friend like you. You were one of a kind. One of the loyalist friends I have ever known. You were like a brother to me. Love you and miss you buddy. Always- Rachel*
