“ *I can't seem to find the exact words to express the emotions that I feel. In 60 days I have lost both my mothers. One who gave me life and then the one that raised me. Aunt Polly you loved me unconditionally and always saw to by best interest even if I did'nt always realize it. We made wonderful memories from shopping,traveling,or just watching The Young and the Restless while eating an endless amount of watermelon. You taught me wonderful sayings like "see you later cousin george" and that all young women should know how to type and do shorthand But the most important thing you showed was Love of family. Each member of your family knows that you loved them wholeheartly. I'm sorrowful beyond words that I'm not there to celebrate your life...but know I'm there in spirit. Aunt Ruth and Richard thanks for your loving care of Aunt Polly. I Love you all and know that today she is with my sweet daddy. Love Martha*

“ *What wonderful memories my family has of Polly! Working with her at church here in Jonesboro, traveling, the visits and phone calls once she moved. Ruth, thank you for all you did for Polly, especially after she was in Conway during her later years. She was really glad to call you her sister. Marti, I'm so happy the two of you got to visit recently; she loved you and your family. She will be missed.*

“ So many wonderful memories of Polly! Working with her at church in Jonesboro, the traveling we did, the visits and phone calls after she moved to Conway - all so very special. She loved you, Ruth, and was so happy you all were finally together; I'm glad you were able to be with her these last few months, even though it must have been hard. And I am so pleased she got a chance to visit with you, Marti, when you were in Arkansas. You were her family. My condolences to all.

“ I am filled with immeasurable sadness and grief over the loss of my amazing and loving Grannie.

While I am currently filled with sorrow, I cannot go without also stating that I feel extremely blessed to have had such a wonderful Grannie; one whose love I never doubted and who I know would have done anything for me. I know my life has been both enriched and blessed thanks to her. From spending time with her, to our bear hugs over the phone, she has always been a great source of love for me and always made me feel special.

She is an amazing person whom I love deeply and will greatly miss.

Grannie, I cant begin to express how much I love you and how much I miss you. I look forward to reuniting with you some day.

My heartfelt thanks to each of those that continually cared for this wonderful Woman.

My deepest sympathies and condolences to all in this sorrowful time.

*Love,
Katie*

“ *Ruth and Family. It is always difficult to lose someone close. and for it to be your sister must be even more so - but God will sustain you in this hour. I hope you are there if and when any of my sisters have to go, so you can give me a Word to encourage my heart.*

Ruth you are loved. I I want to get to the funeral tomorrow, but as of now Verlon has to have the car for a Dr's appt in LR.
