“ *Sharla and Debbie, I'm so sorry to hear about the loss of your dear sweet mother. A lot of my childhood memories involve Peggy. Since I didn't have my mother growing up, I looked to her as a mother figure and always loved being at her house. She always made me feel special and loved. She was such a strong and courageous woman, someone definately worth looking up to. I know y'all will always cherish the memories made with your sweet mother, I know I will. ❤️*
