“ I used to work with Peggy at the good old CBO back in the good old days. I remember a time when i got Peggy a picture frame for her birthday the frame had a garden border around it. When she opened it she started to cry i was i didn't mean to make you cry. She told me that it reminder her of her mother cause she like to garden. Now with her passing i would like to say Peggy now you and your mother can take care of that garden in heaven to together. She will be terribly missed. I miss working with her and now i will miss when she would visit. Love you Peggy. My heart and prayers go out to her family at this time of loss. She was a wonderful friend and i will miss her so much.

“ *My Precious Friend,  
For the past 40 years you have brought such special treasures into my life. You have touched my heart and brightened my life in countless ways. You have been a true friend. A friend, who shared all my joys, disappointments, and sorrows, a friend who always let me be myself at all, times; and a friend who I knew I could always trust, a friend who was always there through it all. Although we did not get to see each other often enough, I always knew that you were just a phone call away.  
Yes, my friend we have a lifelong special bond that can never be broken. I was so honored to have you in my life. You will truly be missed by many, but you will always be in our hearts.  
My heart is breaking for, Jim, Tina, Travis, and all the grandkids. May God keep all of you in his hands and guide you these hard times.  
Until we meet again,
