

## Penny Lord

September 23, 1928 - January 21, 2014

Penny Lord was born Pauline Eve Macaluso on September 23, 1928. Her father said she brought about the Depression.

She grew up in a faith-filled Italian home in Brooklyn, New York. Her Father was a civil servant. Her mother worked on a sewing machine in one of the many clothing factories in New York. She had two brothers who were both older than she. They both considered her the brat of the family. Not true; not true.

She attended a local public school in Brooklyn, and when the family moved to Richmond Hills in Queens County, she went to Richmond Hills High School. She excelled in that school, was a member of the Arista Society, which were all the brains, an honor she took very seriously all her life. When she graduated, she received as many awards possible for one student that year. She had plans to attend a University in Chicago to study law, but because she graduated in mid-year, January, she went to Davis and Elkins College in Elkins, West Virginia for six months.

She met Bob Lord on her birthday, September 23. She has always said it was her best birthday present. They were both in the American Academy of Dramatic Arts in New York. She was playing a role made famous by Penny Singleton. Our Penny liked the name, and took it as her own. They fell in love, married, and were best friends and lovers for the rest of their lives.

They suffered the death of their son in 1971, from an overdose of drugs. They were both angry with God for letting this happen. After all, they were good

Catholics; they all went to Church on Sunday. He went to a good Jesuit High School. They had embraced a group of juvenile delinquents in the Malibu Hills of California, who may have introduced their son to drugs. They left the Church after his death for four years. On January 1, 1975, Feast of the Solemnity of Mary, the Holy Spirit inspired Bob to go back to Church. Penny was still angry with Jesus, but she went back with Bob because that's what they always did, follow each other. On May 23, 1975, they went on a Marriage Encounter weekend in Santa Barbara, California, that's when their lives changed forever. Penny reconciled with Jesus. Bob and Penny found a new way of life through the Church.

As a part of their newfound love for the Church, the Lord directed them to take a pilgrimage the Holy Land and Europe. It was more like a tour of holy places, but put in their hearts a great desire to seek out and venerate the various shrines of the Catholic Church, especially ones that had to do with Miracles of the Eucharist.

They started bringing their own pilgrimages overseas; it was very successful. Penny provided the love and Bob was the eternal tour guide. It was very successful until terrorism broke out in the Middle East. People stayed away from the pilgrimage places, especially the Holy Land. They had invested all their savings into a Travel Agency, Catalogs, and advertising. Things looked bad.

Penny said the Lord told them not to worry. They had a treasure. Bob responded with "Will you ask him what the treasure is? We can't make our mortgage payment." She insisted they had a treasure. Shortly thereafter, she told him the Lord wanted Bob to write a book on the Miracles of the Eucharist. They had never written or published anything before. Penny locked Bob in a cubby hole in their office and told him to write. He could only come out for meals and potty breaks. She and their daughter Luz Elena fought off the bill collectors with one hand, and sought out potential publishers for the book they were writing. She became the editor from Hell!

The book was very successful, but it never would have happened without

Penny. So in effect, she began her writing career with that first book that they really co-wrote. After that, they co-wrote 25 books on the Catholic Faith over a period of 26 years. It was that first book that brought them to the attention of Catholic Television through Mother Angelica and the Eternal Word Television Network in Birmingham, Alabama. They had their first interview with Mother Angelica in December of 1986, and the following year began making television series on their books. They have been on the network 5 days a week for the last 26 years, and continued to be shown, the closing message "We Love You" came from Penny.

During her career, she co-hosted over 200 television programs which are shown on EWTN to this day. It has been said that on their programs and lectures, Penny said all things of the heart. Bob was always involved in the facts of a program of subject. This carried out throughout their entire career as authors, lecturers and television hosts. That was the way she was. Bob always considered Penny his showcase.

In the year 2000, the Lord inspired her to build Holy Family Mission in Morrilton, Arkansas, on 83 acres of land donated by Marie and William Freyaldenhoven. They have added a replica of the Holy House of Loreto and a Retreat Center on the property.

Penny always wanted to write books about meaningful subjects, their life together in the early days of their writing, in *We Came Back to Jesus and The Journey and the Dream*, and their last book together, *Heroes- Popes in Hard Times*, which dealt with enemies like Napoleon, Hitler, Mussolini and the like. These books were very important to Penny. They dealt with her life with her husband Bob, and the heart of our Church.

In 2004, Penny and Bob were inducted into *Who's Who in America*. Penny and Bob were given the prestigious Poverello Award, the highest award given by Franciscan University at Steubenville, in September, 2001. They were also given a special award by the Polish Film Festival for a documentary they did on St. Maximilian Kolbe.

“ *Bob and Penny Lord were long-times friends over the past 25 years. We shared many conferences together as speakers and I was always inspired by their faith, which was lived and evident to others. Rest in peace dear Penny. Thank you for your encouragement during tough times and your constant optimism.*

“ *Dear Bob and Luz,  
I'm so sorry for your loss, but we know Miss Penny knew her Father and was ready to go to Him. It's not easy wether we are expecting it or if it is sudden. Thank you Jesus and Mary that we know that you are always with us and they will comfort and sustain you through this next journey of faith.  
I'm glad we got to spend her last birthday with her and sing to both of you on your special day. Glad also that the family was together for a last Christmas (God is so good) I'm sure she was welcomed home with  
"Welcome home my good and faithful servant." Thank you both for all you have taught about our beautiful Saints and beautiful faith. May our Beautiful Mother wrap you all in the folds of her Immaculate Heart  
Love and prayers

“ Penny Lord and Bob literally brought the saints alive in my life and in my home. Each saint touches me in a unique way that I can't explain. Penny's spirit was united with each of the saints that they brought in my home. Which made me feel that she too was united was united to my spirit with the love of all the saints and especially our Blessed Mother. Thank you Penny for your sincere joy and love. “ Leave a condolence or a memory. I want to express my deepest sympathies . Although we have never met I consider you my family. I loved you from the day I found you on EWTN ! I learned so much from your incredible show. Like Penny , my family is from Sicily! I believe Jan 21 is the Feast of St Agatha of Sicily the day Penny passed! I can't even imagine what heaven must be like for Penny with Jesus, Mary, and all of our best friends , the saints, to greet and love her eternally! May all the church bells ring at every church you 2visited as I know the heavenly welcome is the same! Little did I know I was learning about the saints from two living saints! You blessed us all! The saints are all my best friends because of you! Thank you for bringing us into closer communion with them and with our Lord. I will love you and pray for you both forever and ever ! I will never forget you - we love you Family!!!!!!

“ I was in my early 20's when I met Penny, nearly 20 years ago! The Lord put Penny in my path at a time when I was discovering and considering Catholicism as my religion. She and Bob were guest speakers at the Medjugore Peace Conference in California, and had a vendor booth where they were selling their books. I immediately felt a connection with Penny. It must have been our Italian roots, but she was the image of my grandmother who I had lost at an early age. She had a way of making a stranger feel like family; feel loved. Their autographed books (which she just gave to me) were truly instrumental in my conversion. If Jesus was truly present in the Eucharist, as their books documented, then that was where I had to be. My husband and I went through the RCIA program at our local Catholic Parish, and I have been the Parish Secretary of our church for the past 10 years. Our 14 year old son is getting prepared for his confirmation. Our lives are beyond full and blessed in our faith. I thank God for using Bob and Penny to touch so many hearts and lives, but especially for touching mine. Rest in the Peace of our Lord, dear servant, role model and teacher. Your love and wisdom have left an enduring legacy.

“ Living in Germany in the 90's, I ran across a" Bob and Penny Lord" movie in the library of a US air base. It changed my life. I was able to visit many of the sites that Bob and Penny spoke of. It drove home the real presence of Christ in the Eucharist. May Penny now be in eternal bliss in His arms. Well done you good and faithful servant! Penny, you do not know me, but since the 90's you have been family. RIP

“ I am truly saddened by the loss of this wonderful lady. I had the pleasure to meet and do a radio interview Bob and Penny in 2009. Penny was like the Italian aunts I had grown up with. Her smile radiated warmth and love and her eyes gleamed with spirituality and love of Jesus. All this she passed on by her presence. Being with her was like being with an angel. Every time I see her and Bob my heart feels the joy I felt when I first met her. I had seen her and Bob during retreats I made to Birmingham. They always greeted me as old friends and family would. The world is truly a better place because of the Lords. Heaven has called a loving daughter home.

We love you.

“ While I was at home, unemployed, depressed, and although still loving God, I could not "see" Him. By listening to the marvelous shows that Penny Lord and her husband Bob put on, I came to realize that there were a LOT of Saints! Somehow I missed that. My heart and prayers go out to Penny's soul, and the heart of her husband Bob, that he is comforted by the fact that he and Penny were truly angels sent from heaven to teach us, protect us, and guide us. The information and love that Bob and Penny Lord shared with all of the world truly enhanced my spiritual life. I learned so much about the blessed saints of our Church, and about the fact that they were human beings, just like us, only willing to give even their very lives in sacrifice to spread the Word of the Lord and of the saints that we are blessed to know about. I feel blessed to simply know who Penny Lord is. How much more blessed her friends and family are to have had her in their life. Now she rests in Jesus' arms with our Lord gently stroking her hair and welcoming her into His kingdom. My prayer is that one day our souls may meet. Thank you, Jesus, for sharing this soft, loving woman with us. Sad to not have her present here, but joyous that where her soul is she is happy and at peace.

“ My book shelf holds quite a few books that Bob & Penny wrote together. I've enjoyed their video's throughout my life and the many great spiritual works they wrote that likely brought about the conversion of thousands of people. Penny was a wonderful woman and she donated much of her time, money, and spirit to Mother Angelica and the promotion of EWTN. “ My thoughts and prayers go out to all of you. I enjoyed the many times we went to Mexico together to celebrate the feast of Guadalupe. Bob, Penny, Luz-Elena & Br. Joseph made my feel like part of the family. I will remember those wonderful times forever. Now Penny is experiencing the love of Jesus and Mary in the greatest way possible. Eternal Rest!

“ It was a joy and privilege to know Mrs. Lord. When we welcomed she and her husband to Morrilotn, I knew that we were gaining an incomparable assett to our community. I count it an honor and privilege to have been a part of the welcoming service. Mrs. Lord radiated the life of Christ in her life. She was a sweet, kind, and compassionate Christian. She was a blessing to me and I will never forget her. I was doubly blessed when she and her husband attended my retirement service at First Baptist. I counted her as adear sister in Christ.

“ *Dearest Penny, your kindness and the love of Christ which shone from your heart, made every visit to our little department like the visit of an Angel. And dearest brother Bob, Angelic in your own way, a strong, caring man of great faith, virtue and compassion, I will most certainly keep you and all of the family in my prayers. I know that someday, you and I will both rejoin our beloved brides, but until then, we know that they are praying for us and bringing down graces and blessings to bring us along. I am here if you need me, Bob. God be with you and Mary console you, one and all.*

“ *To the family of Bob & Penny.. First let me say "THANK YOU" for the many trips you took me on from watching you on TV. I've learned so much about our different saints. I was truly shocked when EWTN mentioned the passing of Penny. I never knew she was sick. My condolences and prayers are truly with you and your families. Now she is with her heavenly Father and I will ask her prayers for me. God bless you all and may you find peace in your hearts.*

“ I was very surprised to see this is your funeral date and I can feel your love still. I will always be thankful for the wonderful stories you and Bob brought to me over EWTN I always saved special time to watch your stories and travels to places of wonder and special events in the Life of God and Mankind united. I learned enormous amounts of information. and could recognize you always saying good bye for now... "WE LOVE YOU" It means alot to be told that by a someone you don't know but the flame of love was still lit even across a TV screen. a special love was there in each program. That was well conveyed. What a great gift to the world is the work you and Bob did for everyone to see the Lord revealing his life and miracles adn saints through the ages through your words and travel films. There was always a certina sincerity adn wonderment in your voice in each of the stories. Truly the jewels in the crown of television. Thankyou for what you have done for the world. Good bye for now, we have lots to remember you with.

“ I was wrapped up in myself, worrying about a job, sad over family discourse, when I first saw a show with Penny Lord and her husband, Bob. My life literally changed that day as I was so delighted to learn of all the different saints and their contribution and suffering, as well as their glorious triumph over evil. Penny's influence was a large part of the reason that I was able to pull myself out of the depression I was in and focus someplace else. I know that heaven certainly rejoices while we will have to adjust to her not being here in her physical self. I am sorry for you, Bob, as I cannot even imagine the depth of your loss. Know that Penny is now with your son, and in the company of all of the saints that the two of you taught us about. God richly blessed us with a sweet yet powerful woman whose sweet statement at the end of the broadcast "We love you!" I used to feel that just maybe it included me as well, and it gave me strength.

“ I had been unemployed for over 2 years, lost my home and car, and most of my furnishings, having to sell whatever we could. (myself and my son) I felt discouraged and was not praying much then. I felt rather abandoned by Jesus then---why was this happening? I had raised my children and thought I was a good person. The one thing I did not sell was my t.v. I am now grateful to God for the time I had "off work". I came back to our Catholic faith, in large part due to Penny's soft and gentle way of teaching me about the saints and so much information about our Church. How I loved to watch the shows when Penny and her husband Bob were on! They truly made so much of an impact on my entire life. I learned more from them than I did in all of the years that came before! Penny had a kind voice, always with a smile on her face, and always at Bob's side, looking up at him, adoringly. I never knew that they faced such a sad and tragic death as the death of their own son. Mother Angelica taught that it is what we do with grief and suffering that makes the difference. They certainly grieved, and yet they were able to find light again, and bring the faith alive to so many people. I felt that I was too old at my age to make a difference to anyone about anything. When I saw Penny and Bob--not old people, but lively, happy, and in love every time I had the pleasure of seeing one of their shows. At the end of our life, I feel that if you have made the world a better place by doing one kind act that impacted someone, then your job is done. Penny Lord not only impacted me, one individual, but multitudes of people all over the world, impacting them with a love for Jesus and a desire to learn even more, regardless of our age. I was blessed to have gotten to see this lovely woman so many times in our home, and the world was blessed, some with personal friendships, and some with the saints coming to life through her teachings. Penny rests in Jesus' arms.

Bob is still very sad, because he loves you the most forever and ever. Please ask Our Lady to let you send Bob rainbows when he's writing in his office so that he knows you can still write with him. “ Upon hearing an update on Mother Angelica's condition I began to reminisce about Bob and Penny Lord. Recalling so many enjoyable conversations at St. Jude's and at their mountain side home in Westlake Village Ca. I remember meeting with Mother Angleica at the Queen Mary in Long Beach and taking up thousands of petition signatures to get EWTN into various cable systems. Penny said after mass that I was an answer to her prayer about ministry at EWTN! Praise God if we can be used in any small way to advance the Kingdom of Jesus! I feel that very soon (I can't believe it is almost two years since Penny passed on) we will all be "Caught Up" / "Rapiemur" / "Harpazo" (1Thes 4:13-) (John 14:1-3) (1Cor 15:50) (Luke 21:36) to Meet The Lord in the Air and so we shall be with The Lord FOREVER!!! “ Wow! Penny Lord passed on to her Eternal Reward on the day after her friend and my Grandfather Edward Harrison Sargent's own anniversary! My Grandmother would always tell me that everyone in the Sargent family had died on an American Holiday! Margaret herself died on Veterans day November 11th 1990 at St. John's Pleasant Valley Hospital. Very appropriate since she said tens of thousands of Rosaries for the Troops over her lifetime. Margaret was born in 1900. After Edward Harrison Sargent died on January 20th 1999, I thought to myself, "That's strange that he did not die on an American Holiday?" So I was in the dark, that is, until the inauguration of George W. Bush on January 20th 2001! Then I laughed out-loud and said to myself, "It WAS an American Holiday! Inauguration Day! Only it happens just once every four years!" Your Family In The Hearts Of Jesus & Mary, Michael, Zenaida, Elizabeth, Justin & Joseph Surwin (Alfred & Mary Surwin) P.S. Here is one of Monsignor Tom's & Penny's Favorite Prayers After Communion! ((This is Fr. Tom's & my Grandfather's 17th Anniversary of their passing!
